President's Message

By: Brandy Meeker

Here we are in March already. Big things are happening locally, nationally, and internationally. Spy balloons. Chemical leaks. Yet billions more to Ukraine. Presidential candidates are popping out of the woodwork. Here at Temecula Valley Republican Women, we are hard at work lining up new speakers for you and planning our big event in April. We have also just launched the Public Safety Action Group, more on that below.

I've talked about it before, here and at meetings, but I can't stress enough the importance of unity. The last election cycle has left us all just a little tired. There was quite a bit of division here in our little valley. We must put last year behind us and move on. The democrats are already planning a relentless assault on us next year. Our main goal must be to elect republican candidates. Riverside County, particularly our lovely little corner of it, is one of the last conservative strongholds in California. We must focus all our efforts on not only maintaining that but expanding it. There are many, many, disgruntled independent voters in this state. The democrats are working overtime to keep them. Let's turn our sights outward and welcome them to our side.

We are in need of volunteers. To expand our programs and further develop our club we need your help. I am specifically looking for volunteers to help with: fundraising, membership, table hostess, community outreach.

Please send us an email at info@tvrwomen.org if you're interested in helping in any of these areas.

THE IMPORTANCE OF MEMBERSHIP and UNITY

By Janine Plano, Membership Chair

It's a key element that defines our club and it's important to support our advancement. To connect with one another to help achieve our mission. Make a difference by starting locally; give where you live.

1. We can't sit idly by
2. We want to see this club grow. The more member support we have the more we can do to bring you better content plus more tools and resources.
3. We believe in the cause we stand for and advocate for those beliefs and rights.

The collective is stronger than the individual. We can't do it alone.

"As it is, there are many parts but one body. The eye can't say to the hand, I don't need you! And the head can't say to the feet, I don't need you! There should be no division in the body, but that its parts should have equal concern for each other. All the parts of the body will not take sides. All of them take care of one another. If one part suffers, every part suffers with it. If one part is honored, every part shares in its joy."

Based on 1 Cor. 12:12-27

Introducing our Public Safety

Action Group!

By: Lori Stone- Murrieta Mayor Pro Tempore

Temecula Valley Republican Women is very proud to announce our new Public Safety Action Group. The Public Safety Action Group will track proposed and pending legislation that pertains to public safety. With the valued input of state legislators, local law enforcement and the district attorney, members of the group will send letters in support or opposition to pending and proposed legislation to Sacramento. This grassroots effort is not limited to Riverside County. Indeed, we need citizens from all over California to join in. The last several years have brought noticeable changes in crime to our area and across the state. It's time we do something about it.

Public Safety Action Group Goals:

- 1) Work with our state assemblymen and senators
- 2) Work with Mike Hestrin, DA
- 3) Work with local law enforcement
- 4) Communicate regularly with members
- 5) Present a united front to influence public safety legislation

If you are interested in participating in the Public Safety Action Group, please email me at info@tvrwomen.org

Let's get busy and let Sacramento know that we've had enough!

March Luncheon

By: Joanna Ricketts

We are excited to host Ms. Jessica Tapia and Mr. Matthew Dobler at our March luncheon! Read a little more about them in their bios below. Hope you all can join us!

Jessica Tapia

Our key note speaker for our March meeting is Jessica Tapia. She is a local public school

Matthew Dobler

Matthew Dobler is our newly elected Riverside County Republican Party Chairman. He

teacher who recently lost her job for her faith. She spoke out on her social media about it and her story spread like wildfire. She was recently in an interview with Pastor Jack Hibbs and Charlie Kirk where they gave her a platform to share her experience. She discusses the culture of disrespect and immorality in public schools, and the treatment Jessica experienced from students.

Jessica was challenged by her district for her beliefs, she was called into a meeting by district personnel that ended in her termination from her job. She will speak on encouraging listeners to use their legal rights to push back against this system, and to not give up even when the situation appears dire.

She is confident that most parents do not know what teachers are now being asked to do and she is sharing her story to shed light on what is going on. You can find her on Instagram @jess_sayinnn

has been a Republican all his life.

As a kid, while most of his friends were playing video games, he was going door-to-door and stuffing envelopes for conservative candidates. Grassroots politics is in his blood.

He went off to college and prior to returning home, he served as the Political Director for the Michigan Republican party in 2016, helping President Trump win Michigan and turning a state red that hasn't voted for a Republican Presidential candidate since 1988. He moved back here and joined the San Diego Central Committee where he learned how a local party should run and how to get Republicans elected in tough seats. He got involved in the Riverside Republican Party when Don Dix recruited him to help him build a strong & vibrant Party here.

His priorities as Chairman are simple. It is imperative we recruit & train volunteers to go door-to-door to get Republicans out to vote.

VOLUNTEER ACTION

By Maria Leanza and Jessica Christopher

Ladies,

WOW! Look what our volunteers and those from The French Laundry and the Murrieta Temecula Assembly did!

When we got Brenden Kalfus elected, we created a majority of three conservatives on the Temecula City council: Brenden Kalfus, James "Stew" Stewart, and Jessica Alexander. A majority of conservative city council members have allowed us to get two consecutive wins in Temecula; term limits will be on the 2024 ballot (something that has taken 20+ years to get), and no LGBTQ+ proclamation at the city meetings.

These wins show the power of what we can do when we are united!

Please thank Brenden, Stew, and Jessica, as this is even more important than telling them what we don't like.

brenden.kalfus@temeculaca.gov

james.stewart@temeculaca.gov

That being said, now is the time to prepare for next year. We need volunteers for the following:

- Fundraising
- Membership
- Table hostess
- Legislation
- Community outreach
- Church Project
- BBQs with neighbors

Also be on the lookout for people who would be good candidates for the coming elections. This could be you!

Contact Jessica Christopher or Maria Leanza at info@tvrwomen.org or talk to us at any of our luncheons.

Thank you for all you do. United there is hope for California and our nation!
