President's Message

By: Brandy Meeker

Well, that was fun, right? 2023 was awesome! Insert eye roll here.

2024 promises to be even more exciting. We've got 11 months of non-stop roller coaster rides ahead of us. Things are shaking up all over the place. There were surprise resignations from both the Temecula City Council and Temecula Valley School Board. The State of California has dreamed up over a dozen new ways to interfere in your daily life, take more of your money and make you less safe that all go into effect January 1, 2024. Then of course we've got all the national events taking place. Record border crossings. Epstein's client list to finally be released. Hunter Biden brazenly ignoring being called to testify before congress even while more evidence comes to light about the Biden Crime Family Syndicate. Lying Harvard professors. TranTifa (formerly known as the alphabet mafia) bullying people into using their preferred pronouns. Where are the grammar police when you need them? That might solve a lot of that silliness.

Even down to the level of our club things are changing. As most of you know, last year was a pivotal year for our club when we left the California Federation of Republican Women after almost 40 years. We've learned a few things. Some things I think have improved. Some we have recognized as needing improvement. We will be examining and updating our bylaws and revamping our endorsement process. Both of which you, as members, are welcome to participate in. Please email me if you would like to be part of that process. We are working hard to bring you dynamic and relevant speakers and content this year. Our annual fundraiser will be at Wilson Creek this year in May with a Breakfast at Tiffany's theme.

My predictions for 2024:

- Trump will be indicted under the rarely used, but well known, mattress tag law. There are a ton of mattresses at MaraLago and word on the street is that none of them have tags.
- The Democrats will win gold at the Paris Olympics, sweeping the Mental Gymnastics event with their stupefying ability to justify any position.
- The UCLA Men's Basketball Team will win the NCAA Women's Basketball Championship.

January Luncheon

By: Joanna Ricketts

As a special treat we will have live entertainment at our January luncheon.

Humberto Agurcia

Humberto and his wife currently live in the beautiful city of Wildomar. He has been a Firefighter Paramedic 24 years and has had a lifelong passion for music and singing.

Though he was born in Los Angeles, he grew up in Guadalajara, Mexico until the age of 18, when he decided to come back to our amazing country and pursue his dream of serving as a firefighter. He has had the Honor of performing our National Anthem throughout our nation at different professional sporting events for the NFL, NHL, NBA and MLB, as well as many different fire, police and government

and memorials. Humberto feels very blessed with the opportunity to serve his country in this way.

Ceci Truman

Ceci Truman running for California Congressional District 25 is a Hispanic, America 1st, principled Constitutional conservative. She has been endorsed by previous National Director of I.C.E. under President Trump, Tom Homan. Her campaign slogan is “Secure the Borders, Save Lives” because securing our borders is of utmost concern to the constituents and nation presently. Ceci attended a delegation with Tom Homan in Israel this past June, viewing border walls and security measures, led by IDF Generals and Colonels.

She comes from a military family background, starting with her grandfather who served in World War II as a navy “frogman” a predecessor to a modern-day navy seal, based in Coronado, California. She is the eldest of eight children and was raised in Santa Ana, CA where is she attended school from kindergarten to high school. She has been married for 30 years, been a small business owner most of her marriage, homeschooled and graduated three successful young men. Ceci is not only an advocate for parental rights, but for school choice and homeschooling as well.

Ceci will oppose policies that have led the nation into “Bidenflation”. America must return to being energy independent. She supports election integrity policies because without proper elections we cannot remain a sovereign nation. She vehemently supports our 2nd Amendment, as stated in the Constitution, that it shall not be infringed upon.

She has stepped into the political ring to fight for our constitutional freedoms and oppose all progressive and communistic policies that are infiltrating our nation!

Ian Weeks

Born in Anaheim, Ian Weeks grew up in the Temecula Valley, and now lives in Hemet with his wife of 13 years, and two young sons. He is a graduate of the University of Redlands School of Business, and professionally, a Certified Financial Planner for over 17 years.

Ian is a problem solver, not a professional politician. He knows how to diagnose fiscal problems and prescribe solutions. As a believer in and follower of Jesus Christ, Ian has the integrity to do what is right, not what is politically expedient. Ian will advocate for policies that make life better for regular California families: Policies that respect traditional family values and parents’ rights, actually reduce your cost of living, and prioritize your family’s safety over catering to those that would threaten it. He believes that the practical needs of the people of the 25th District must come first over fringe, radical ideological positions. Ian will legislate with integrity, honesty, and wisdom.

Ian serves as a worship leader at his local church where he plays guitar and sings nearly every week. He is an avid outdoorsman, and spends his free time with his family boating, fishing, hiking, and horseback riding.

Samantha Sobarzo

Samantha Sobarzo is Chairwoman of the Republican National

Hispanic Assembly of Riverside County and has served on the Board in some capacity for over three years. She is also a Member of the Republican Party of Riverside County and a delegate to the CAGOP. She has been involved in political action or education organizations since 2008 in the fight to preserve conservative values in California and reaching out to the Hispanic community. She adheres to the Latin phrase of "Ora et Labora" meaning Pray AND Work.

Campaign and Precinct Information

by Jessica Christopher

We need people willing to walk neighborhoods for candidates. We prefer people to walk with at least two people so it's fun and safe. You get to choose who you want to walk for.

If you are willing to have a BBQ with your neighbors and have a meet and greet with a candidate, please let me know so I can connect you with the campaign team.

If you live in Temecula the city council is nominating a replacement on the 9th of January at 6 pm. If you want a say in who fills that seat, please contact me and or go to the city council meeting.

The Riverside County Registrar of Voters needs volunteers to work. This is so important; the workers have predominantly been democrats and we need those who are not that are willing to work. They pay \$20.00 an hour. If you're retired or not working this would be an amazing way to help! Please contact Jessica if you would like to help get candidates elected.

Hello ladies. Thanks to all of you who signed up to volunteer for Carl DeMaio's Voter Integrity Initiative signature campaign at our November luncheon. Unfortunately, Carl didn't get enough signatures or funds to initiate the signature campaign in November. Fortunately, Carl is working on moving forward at a future date and is also working on other issues like Proposition 13 and stopping tax hikes. I will keep you posted on any opportunities that come up to get involved with any of these issues plaguing our state. You can also log on to [Reformcalifornia.org](https://www.Reformcalifornia.org) to get the latest news. Hope you all had a blessed and happy Christmas and may you have a joyous 2024!
