President's Message

By: Brandy Meeker

Last month we watched the Epoch Times documentary No Farmers No Food. If you haven't seen it yet, I highly recommend that you check it out. The One World Government folks are hard at work on many, many fronts to take away your freedoms and our country's sovereignty. We are way on down the road to a New World Order and this film is a big wakeup call. We also heard from Darcy Burke with Elsinore Valley Municipal Water District. As usual, Darcy was so full of great information. Information you are not going to get from the news or the state. If we are fortunate enough to have Darcy come speak to us again you should make it a point to come hear her.

This month we will be featuring Chad Schnitger from Graystone Public Affairs. He will be analyzing the recent primary election. Find out where we won and why. Learn where we need to work harder to secure a win in November and how we can do it. Our second speaker this month will be Dr. Joseph Komrosky, president of the Temecula Valley Unified School Board. Dr. K is facing a vicious and lie-packed recall in June. Come hear how you can help keep him in office.

If you require a vegetarian or gluten-free meal please let us know when you buy your ticket.

We will no longer be honoring Member Lunch purchases for those that have not renewed their membership. Please renew or begin your membership today. All memberships run Jan-Jan and must be renewed each year.

Dr. Joseph Komrosky Temecula Valley Unified School District

Dr. K has lived in the wonderful city of Temecula for 3 years now and

loves our community. He has been married now for over 7 years and has two amazing kids.

He ran because parents are frustrated by social theories being introduced in the public schools that do not have anything to do with education. They are frustrated with the graphic sexual content in education for younger grade children. Parents are also frustrated that some teachers in our local elementary schools are telling our younger students that there is no correct definition of sex. He has seen these occurrences of this with his very own eyes.

In addition, political theories are also being introduced to our kids, which also have NOTHING to do with a child's education. Both of these issues conflict with the traditional American values that we as a community wholeheartedly believe in. It's time someone stands up for parents who have children in these schools!

Volunteer Action

By Maria Leanza and Jessica Christopher

The general election season is upon us! This is no regular election for our county and our local communities. There will be plenty of opportunities to volunteer to get important things done that will have a great impact on our lives.

As you know, Dr. Komrosky, President of the Temecula Valley School Board, is being recalled by a relentless, liberal group known as One Temecula Valley. They are the same people that drove former member Danny Gonzalez to resign and flee the state by destroying his reputation and his business. If they have their way, they will do the same to the two remaining conservative members- Dr. Komrosky and Jennifer Wiersma. We can't let that happen! We fought a hard battle to get these conservatives elected to stand up for the conservative values of our community.

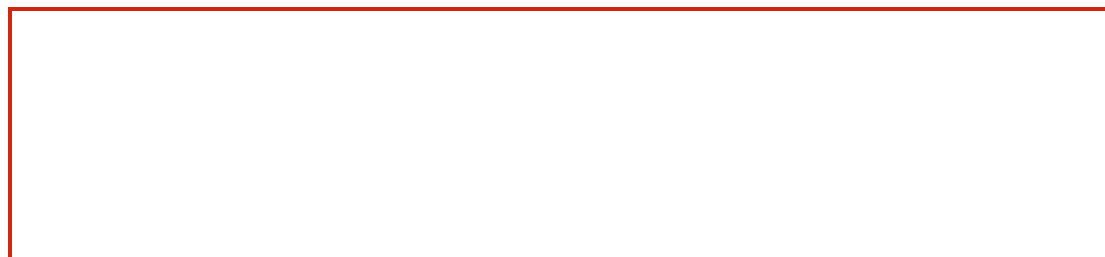

It is imperative that we fight to keep Dr. Komrosky on the school board. And a fight it will be!

We wondered how One Temecula Valley was able to get enough signatures to bring on the recall in a mostly conservative community. Well, now we know that it was through lies, and they are still doing it! Knowing that 80% of parents in California favor the issue of parental rights, they turned their messaging around to voting YES on June 4th, to recall Dr. Komrosky, stating that the yes vote protects parental rights! According to them, banning books, banning curriculum, banning sex ed is removing the rights of TVUSD parents to decide what is best for their kids. This is a total distortion of what Dr. Komrosky stands for. He ran on fighting for traditional family values, such as parental rights. Please join us in supporting Dr. Komrosky and standing up for the truth.

There will also be amazing candidates to re-elect like Jessica Alexander for Temecula City Council, Lori Stone the mayor of Murrieta and Julie Vandergrift for Murrieta School board.

There will be opportunities to volunteer for other important issues like voter registration and election integrity. We thank those of you who already stepped up and for those who haven't volunteered yet, we encourage you to do so. You will be receiving a call from us. For those who volunteer you will be able to select the candidates you wish to support and the activities that interest you. Let's all get involved and do what we can. Every little bit helps! Let's get involved to keep our communities on the RIGHT side!

Please contact Leanza.maria@verizon.net or text or call Maria at 951-551-7626. You can also come talk to us at any luncheon meeting. Let's get involved!
