Q: Do you know why the "Kamala for President" hats aren't selling very well?

President's Message

By: Brandy Meeker

An assassination attempt. A candidate switcheroo. Two conventions. Democrat defectors. Things are heating up so who knows what's next. One thing is for certain, we haven't had the last surprise yet.

In August we had our traditional summer evening meeting. Mr. Moti Gur from Stand With Us came and spoke to us about the Israel/Palestine conflict. Listening to the news is one thing, but hearing directly from a former IDF soldier and Israeli citizen about what life is really like in that part of the world is something completely different. Moti was so full of knowledge and passion we were all very moved by him. He wanted me to pass on two final points that he did not get the chance to make:

- Our esteemed U.S. Ivy League universities seem to be a battleground where Muslim Jihad Ideology and radical leftism align. Students are paying to be indoctrinated with anti-American and anti-Semitic rhetoric, justifying horrific acts by Hamas including the murder of innocent babies and children. This is a significant threat to our freedom and values, especially coming from those who are expected to be our future leaders.
- Let us pray for the safe return of the hostages held by Hamas.

If you get the chance to hear him speak another time, I recommend you take it.

This month we have our candidate forum. More details about that are below.

We are already selling tickets to our October luncheon as we expect it to be very well attended. Jon Coupal, president of The Howard Jarvis Taxpayers Association, will be talking to us about the propositions this year. Ballot measures are purposely written to be vague and confusing. The Howard Jarvis Taxpayers Association is the preeminent organization advocating for taxpayers and government transparency in California. With offices in both Los Angeles and Sacramento, HJTA is the largest taxpayers association in California with a membership of over 200,000. Founded by the late Howard Jarvis, the author of Proposition 13, HJTA's name is synonymous with tax relief and the uncompromising defense of the California homeowner. Mr. Coupal is going to talk to us about the ballot measures this year and let us know their fiscal impact, and if you should vote yes or no on them. You'll want to hear him before you send your ballot in!

This month we are doing something a little different with our donations. Please see below for more info. Let's see how big we can go!

If you require a vegetarian or gluten-free meal, please let us know when you buy your ticket.

TRUMP 2024

We have Trump yard signs. They are directly from the Trump Campaign, so they are not made in China. They are for sale for a donation to our club. When you buy your yard sign from us your money goes to our club and not Amazon. We will have them at our meeting or we can arrange to meet up with you. Contact Brandy at president@tvrwomen.org to get your Trump 2024 yard signs.

September Luncheon

By: Joanna Ricketts and Billie Smith

Our September luncheon will focus entirely on local candidates. These races are the hardest to find information on, but they are arguably the most important. Never before has the saying "all politics is local" be more applicable. The democrats have long had a strategy of top down-bottom up. Our side is finally realizing the tremendous potential of this strategy. Democrats mean to use it for the complete overhaul of our system of government. We are going to use it for the complete restoration of our republic.

Below is the list of candidates (as of this date) who will be present. Click on their names for a link to their websites. Start doing your

Volunteer Action

By Maria Leanza and Jessica Christopher

Hello ladies, we hope that you are staying cool during this super-hot summer. We are at the height of the campaign season! Are you ready for a roller coaster ride? We have a lot of amazing candidates for local school boards and city councils, as you have seen on the list of candidates above. Some of them, like Jessica Alexander, Dr. Komrosky, Lori Stone, and Julie Vandegrift are running for a second term! We are also proud to introduce many wonderful people running for the first time- George, Melinda, Jon, Emil, Javier, Mike, Eleanor, and Christine. We honor all who have stepped up to serve in our communities. We are truly blessed to have them. Come to the meeting on the 17th and meet them all in person.

All these candidates will be needing help to get their name and message out to our neighborhoods. They will need people to knock on doors and pass out flyers and talk to people. Volunteers are needed to put up signs around the cities and to keep an eye out for any sign bandits. We may need volunteers to make phone calls, address envelopes and other things that pop up. You are also encouraged to pray for our candidates. Donations to their campaigns are, of course, always welcome. Please sign up via one of the sign-up sheets at each table or contact Maria at leanza.maria@verizon.net or Jessica Christopher at jzc@jessicazchristopher.com. We can do this! Let's get and keep our communities on the RIGHT track!

We have a unique volunteer opportunity.... On Sunday September 22nd at 2:00 we will be painting signs to hang on the freeway overpasses. Wine and pizza will be served. Think of it as paint and sip with a purpose! If you are interested, please contact Jessica. Even if you can only come for an hour, it will make a difference!

Please contact Leanza.maria@verizon.net or text or call Maria at 951-551-7626 or Jessica Christopher at 951-515-1954 for any volunteer opportunities. You can also come talk to us at any luncheon meeting. Let's get involved!
