

Temecula Valley Republican Women presents our spring fundraising event...

47 Reasons to Love America... An Immigrant's Story

Featuring Alex Agahi as our special guest.

Alex is an immigrant from Iran. Come hear his amazing story of leaving his homeland and the journey he took before he made it to the shores of America. Alex will also share his unique perspective on the war with Iran. TVRW club members Jenny Wang from Taiwan and Mayra Lewis from Peru will also tell us their stories of coming to America. Legal immigration is a key, and beloved, part of the American Experience. Let's celebrate them and take time to reflect on why America truly is exceptional.
