47th speaker of the House

Come meet your local candidates!

We've made great strides the last several years in keeping our local institutions on a mostly conservative arc. Come hear from candidates for the following races:

- MVUSD
- TVUSD
- Temecula City Council
- Perris School District
- Menifee School District
- Murrieta City Council
- State Controller

Knowledge is power. When we are well informed, we can help others to be as well. Time to take a page from the Dems: top down, bottom up. Limited and fiscally conservative government from the state house to the schoolhouse.
