

Alex Agahi, Immigrant and Proud American

Alex Agahi as our special guest. He was scheduled to be the main speaker for our May meeting but was unable to attend due to health reasons. We are pleased to share that Alex is on the mend and will join us for the October 20, 2026 meeting.

Alex is an immigrant from Iran. Come hear his amazing story of leaving his homeland and the journey he took before he made it to the shores of America. Alex will also share his unique perspective on the war with Iran. With things heating up in the Gulf and President Trump's reference to action after the election, getting an insider's perspective now on the Iranian government and its people is especially timely.
